

Instruments

Across

3. I play notes in the treble clef and my sound is made by blowing through 2 reeds.
9. I am not a square.
10. I am used a lot in jazz music.
11. I have four strings. My tone is a little like the human voice and I must be played sitting down.
12. I am hung up during an orchestral piece and then someone hits me!

Down

1. I am a sister to the flute and can play very high sounds.
2. I am sometimes called a fiddle.
4. I have 3 valves.
5. I have 88 keys.
6. I have 7 pedals.
7. I am a woodwind instrument, but made of silver.
8. I play the lowest notes in the woodwind family. I have a long tube that is bent back on itself.
