

# Stem Direction

To determine which direction the stems go, use this method:

Notes above the middle line  
will have the stems going  
DOWN on the LEFT side  
of the note.  
Your notes will look like P's.

Stems for the  
notes on the  
middle line may go  
either way, but  
usually go DOWN

Notes below the middle line  
will have the stems going UP  
on the RIGHT side  
of the note.  
Your notes will look like d's.

Place stems on the following notes using the above method:
